

## **Tina R. Abrams – Director of Billing Solutions**

Tina Abrams is the current Director of Billing Solutions at Outsource Management Group, LLC. Ms. Abrams was appointed to this position by the CEO effective October 1, 2011.

In this role, she is responsible for a team of revenue specialists and their performance of daily billing and coding functions for a number of medical specialties.

She collaborates with the staff to identify problems with billing, coding, payments, and customer service, in order to find effective solutions and continually maximize client revenue.

Prior to this appointment, Ms. Abrams held a position with Outsource Management Group as a billing specialist. During that time, she worked directly with a number of clients in family practice, pediatrics and obstetrics performing billing, coding, customer service and office management functions.

She brings over 15 years of revenue cycle experience to Outsource Management Group, including extensive experience in performing coding, billing, credentialing and collections for anesthesia, pain management, podiatry, emergency medicine, urgent care and wound care facilities.

Ms. Abrams began her career in revenue cycle management by doing prior authorizations and referrals for Providers in the mental health specialty.
